

Announcements September 15th, 2024

Good Morning! Welcome to St. Alban's!

St. Alban's acknowledges that our church sits on land that was once the home to many people and nations and remains a home to those that continue to live here today, including: the Apache, Cocopah, Yavapai, and other Native Americans. We thank them for their stewardship of this land, and give thanks to our ancestors, our elders, and all indigenous people. Let us always remember our Native American siblings in our prayers.

Thank you all for your donations to Project SALT. Your generosity is appreciated.

Today is the Litany of Healing service. You can come forward for anointing with oil and prayer. While the service is called the Litany of Healing, you can come up and ask for prayer of any sort.

The Daughters of the King will be coming for a visit on October 6th, to give a presentation about their organization, and to offer their support in beginning a chapter here at St. Alban's. The presentation will happen after the church service on October 6th.

The church has a new device for those of you who may desire some assistance hearing the service. The new device allows you to connect to the audio feed through an app on your phone, linked to your hearing aids or your ear buds via Bluetooth. Ask the ushers for assistance in getting this up and running on your phone.

From kittens to chickens, guppies to puppies, our clergy will be BLESSING all pets great and small on Friday, October 4 at 1:00 PM in front of the church. This Blessing of the Animals event celebrating the Feast of St. Francis is open to the entire community, so come and enjoy this wonderful tradition. Refreshments for pets and their humans will be served.

This concludes the announcements.

Let us together strive to fulfill St. Alban's mission to Love God, Love God's Family, and Love God's World.
