Good Morning! Welcome to St. Alban's!

St. Alban's acknowledges that our church sits on land that was once the home to many people and nations and remains a home to those that continue to live here today, including: the Apache, Cocopah, Yavapai, and other Native Americans. We thank them for their stewardship of this land, and we commit ourselves to working actively alongside indigenous people for reconciliation and justice as we live into our Baptismal Covenant and respect the dignity of every person.

Today is the SALT Luncheon. Lunch is provided, and we accept donations. All donations go to benefit the SALT Project here in town. Because of your generous donations, we have been able to provide roughly \$200 each month to support the SALT Project. Thank you!

The All Saints Prayer Request Cards are in your bulletin today. If you have requests for prayer, please fill out that form and return it in the offering plate, or bring it to the office. We will also have a place to display photos or mementos of your loved ones, if you wish to bring them in on November 3rd, All Saints day.

Next week, on November 3rd, Canon Clyde Kunz will be here giving a presentation on Planned and Estate Giving. This information will help people understand how to give to organizations they care about after their death. This information is beneficial to all people, so invite your friends and other people outside our church who might be interested. The presentation will start at 11:30 in the parish hall.

Finally, welcome to all of you who are joining us virtually on our Live Streams. Thank you all for being with us today!

This concludes the announcements.

Let us together strive to fulfill St. Alban's mission to Love God, Love God's Family, and Love God's World.
